# Jack Burkman, who accuses 2020 candidate of having lovers, has a few himself

The right-wing operative's mysterious mistresses and Ukraine claims are backfiring.

Zachary Petrizzo Tech Posted on Dec 5, 2019 Updated on May 19, 2021, 9:13 pm CDT

https://www.dailydot.com/debug/jack-burkman-margaret-howell-russia-today/

Burkman has previously said he was dating Howell.

When asked about Susan Brewer-Burkman, he stated, “talk to you later,” and hung up on the Daily Dot.

But Howell isn’t Burkman’s only tie to Russia and Ukraine.

Burkman, who refers to himself as “puma,” has apparently expressed worry behind closed doors over his recent interview with the *Wall Street Journal*. There Burkman mentioned he’d had business dealings with Lev Parnas, Rudy Giuliani’s associate. Federal prosecutors are now subpoenaing Parnas for aiding Giuliani’s call for investigations in Ukraine.

Parnas and his associates face possible charges, including money laundering and obstruction of justice, among others.

“Burkman in an interview said he met Parnas in 2012 and assisted the company with an application for a federal grant based on ‘computer innovation in the role of finance.’ Burkman said he filed the application in 2013 or 2014 but declined to discuss the matter in detail, citing attorney-client privilege. He denied lobbying for the company,” WSJ reported.

Text messages obtained by the Daily Dot reveal that Burkman is now seeking “help” from family members.

“Please help ‘puma’, how much can u send...puma need help,” one message reads.

According to a family member, Burkman has “six alter egos,” one of them being “puma,” and each alternative personality is intended to speak with unique individuals and be used in different situations.

https://www.dailydot.com/debug/jack-burkman-margaret-howell-russia-today/

The only room Burkman decorated himself is a nook with forest-scene wallpaper, a couch, stuffed animals and children's books. That's the domain of his irascible dachshund and almost constant companion, Jack Jr.

Burkman says he is engaged to Margaret Howell, who has been an on-air reporter for the Kremlin-backed RT television network, the conspiracy site Infowars and Right Side Broadcasting, a Trump-loving live-streaming outfit.

Burkman, who has faced at least one attempt on his life, is ever-shadowed by a security man named Luis armed with a Glock pistol. "Margaret is afraid somebody is going to come with a machine gun and take us out," he says.

Howell did not respond to an interview request.

On his podcast, "Behind the Curtain With Jack Burkman," Burkman opined not long ago about the "terrible rise of feminism" as one of the great dangers facing America.

PROTECTING SOURCES AND MATERIALS

# Howell v. Harden

**Case Number:** CL20002006-00

**Court:** Circuit Court for Arlington County, Virginia

**Client:** Zachary Petrizzo

**Motion to Quash Subpoena Filed:** July 28, 2020

**Background:** Months after writing a story for The Daily Dot about Republican operative Jack Burkman, freelance journalist Zachary Petrizzo received a subpoena seeking a broad array of documents, records and information related to the article — including confidential communications with his sources.

The subpoena was part of a defamation lawsuit filed by former RT journalist Margaret Howell against Burkman's son and estranged wife. Howell alleged, among other things, that the defendants provided false information to Petrizzo for his article.

On behalf of Petrizzo, Reporters Committee attorneys filed a motion to quash the subpoena. They argued that the subpoena is unduly burdensome and requests information that is protected by the reporters' privilege under the First Amendment.

**Quote:** "[G]iven the breadth of the Subpoena targeting Mr. Petrizzo's privileged journalistic materials, and the fact that the Plaintiff issued the Subpoena before making any attempt to seek any discovery, whatsoever, from Defendants, it appears that the Subpoena was issued primarily to burden and harass a non-party

**MOTION OF NON-PARTY JOURNALIST ZACHARY PETRIZZO TO QUASH SUBPOENA DUCES TECUM**

Pursuant to Rule 4:9(c) of the Supreme Court of Virginia, non-party journalist Zachary Petrizzo, by counsel, hereby respectfully moves to quash the subpoena duces tecum dated June 30, 2020 (the "Subpoena") issued to him by counsel for Margaret Howell, Plaintiff in the above-captioned action. As detailed in the accompanying Memorandum of Law, the Subpoena is unduly burdensome and seeks the disclosure of confidential information and source identities protected by the reporter's privilege. Mr. Petrizzo therefore requests that his Motion be granted by this Court, and the Subpoena be quashed.
